Will China expand the Belt & Road Initiative in 2025?

Chinese finance and investments into the Belt and Road Initiative countries in 2025 H1 have accelerated significantly. For 2025, a further expansion of BRI investments and construction contracts seems possible despite (or because of) global economic headwinds driven by US-led trade impositions.

What is the Belt & Road Initiative (BRI)?

Launched in September 2013, the Belt and Road Initiative (BRI) is not merely a physical infrastructure project, but, perhaps more importantly, a civilizational reconnection.

What is the Silk Road economic belt?

It focuses on building trade routes that mirror the ancient Silk Road and Maritime Silk Road, aiming to connect China to the rest of the world through land and sea. The initiative includes two major components: The Silk Road Economic Belt - a land-based route connecting China with Central Asia, Russia, and Europe.

What is the Belt & Road portal?

The Belt and Road Portal is the official website for Belt and Road Initiative (BRI). It interprets key concepts about BRI and releases latest BRI-related information.
