---

Gotion debuts 20MWh energy storage system at SNEC 2025, securing 3GWh deals and showcasing advanced tech, safety, and global certifications.

Tesla announced its new integrated 20MWh battery energy storage system (BESS) solution, the Tesla Megablock, on 8 September in Las Vegas, ...

This white paper aims to be a practical resource for utility companies to identify environmental justice implications in the development of renewable energy and battery storage facilities, and to consider ...

The Reservoir Storage unit is a modular high density solution that is factory built and tested to reduce project risk, shorten timelines and cut installation costs.

Project Description Provision of a senior loan of up to EUR 40 million to Societe Tunisienne de L'Electricite et du Gaz (STEG), to finance the construction and development of a 50 ...

The National Renewable Energy Laboratory (NREL) publishes benchmark reports that disaggregate photovoltaic (PV) and energy storage (battery) system installation costs to inform SETO's R& D ...

These benchmarks help measure progress toward goals for reducing solar electricity costs and guide SETO research and development programs. Read ...

This landmark project establishes Highjoule as a pioneer in smart energy solutions, delivering both economic and environmental benefits while setting new benchmarks for the energy storage industry ...

4.8MW Skid, with high power integration density PCS has IP66 protection degree, suitable for C5 environment Standard 20-foot container integration, pre-assembled and pre-adjusted in the factory, ...
