What is a multitenant outdoor cabinet?

Vikior's multitenant outdoor cabinets enable multiple operators or equipment types to share the same protected infrastructure. Segmented internal layouts and isolated compartments ensure electrical and thermal separation, making them ideal for shared telecom or co-location sites. Get technical specifications and pricing tailored to your project.

What is icecube equipment cabinet?

Equipment Cabinets Single & Multi-Bay W/EZ Access(TM) Battery Chamber ICEcube offers three distinct mounting configurations to accommodate various applications. Wall and pole mount cabinets are ideal for compact installations where space is limited, providing secure and efficient housing for your equipment and/or batteries.

What are icecube cabinets & racks?

ICEcube delivers industry-leading NEMA Cabinets and Racks designed to safeguard critical rack-mount equipment and batteries.

IP65 modular cabinets resist dust and low-pressure water jets, while IP66 models withstand stronger, high-pressure jets for harsher environments.
