Butik Ouitble D C Miniature Circuit Breaker DC Miniature Circuit Breaker 2P, 6000A Breaking Capacity, for Solar PV System DC1000V. En av många artiklar som finns tillgängliga från vår Säkringsskåp ...

Designed for a series of fixed cable solar panels. An absolutely necessary accessory that facilitates maintenance and creates safety in all solar cell installations.

Secure your solar setup with compact, DIN rail-mounted circuit breakers. Find options with high voltage ratings and a variety of current capacities.

This breaker isn't just for solar systems either - it works great for marine power systems, various DC power applications, and anywhere you need reliable DC circuit protection.

The 32A 500V DC breaker is designed for solar applications, ensuring reliable performance in various environments. Its robust construction includes an IP65 rating, which provides ...

DC-säkring för... Avsäkra din solcellsanlägning. DC-säkringar för DIN-sken-montage (20-63A) . Mycket robust...

With a high breaking capacity of up to 50 kA and reliable performance under harsh conditions, this breaker protects components of solar power plants or battery systems.

IP65 Waterproof AC90V~400V DC12V~400V DHM1B-2P DHM1B-2P DC Molded Case Circuit Breaker 2P DC12V~400V 100A~600A

DC breakers for solar panel system are designed for off-grid solar panel systems, offering reliable protection and efficient power management.

Dc breaker for solar for sale in Sweden

EKM1-63DC is a versatile non-polarized DC circuit breaker designed to protect cables and equipment in renewable energy systems. Covering a wide amperage range from 6A to 63A, it offers essential ...
