How many cable landing stations does Djibouti Telecom have?

Djibouti Telecom has built two cable landing stations, the YAK Cable Landing Station (YAK CLS) and the Haramous Cable Landing Station (Haramous CLS). Besides th

What is Djibouti Telecom?

Djibouti Telecom is today a leading strategic center for international telecommunication services in East Africa with its underlying network infrastructure including international submarine cables and terrestrial cables (between Djibouti-Somali, and Djibouti-Ethiopia).

Why is Djibouti important?

Djibouti is a significant location for submarine cables running through the Asia, Africa and Europe corridor or connecting the East Africa.

Who owns the RIAOM camp in Djibouti?

Originally, the camp belonged to the artillery of the French 5th Overseas Task Force (5th RIAOM). Paintings on the wall of the White House are depicting colonial soldiers, former name of the Marine Troops from which the 5th RIAOM was formed. Following use by the 5th RIAOM, the facility was operated by the Djiboutian Armed Forces.
