---

The LONGi LR7-54HGGB-450M is a 450W bifacial solar module featuring 108 half-cut cells. Its advanced bifacial technology captures energy from both sides of ...

LONGi, founded in 2000, is a solar panel manufacturer based in San Ramon. On this page, you can find a complete list of solar panels from LONGi and compare models side-by-side.

Longi panels are engineered for three primary applications: residential rooftop systems (typically 400W-450W models), commercial ground-mount installations (500W+ series), and utility ...

There are five different PV modules in the LONGi Hi-MO 5 series, varying in nominal power rate from 530 W up to 550 W.

The company's monocrystalline modules incorporate state-of-the-art cell technology, including the PERC (Passivated Emitter Rear Cell) and Half-Cut Cell designs, which optimize energy production and ...

LONGi module product model comparison to help you quickly make product selections.

The Longi 450W Bifacial Solar Panel comes enclosed in anodized aluminum alloy frames and encased in dual glass 2.0 + 1.6mm semi-tempered glass. Another ...

China Longi Solar Panel catalog of Tier1 Longi 440W 450W Solar Panel From Original Factory A Grade Solar Module, Longi High Power Output 455W Tier 1 Solar Panel provided by China manufacturer - ...

Long solar panels 450W series are business-ready, half-cut mono modules that deliver strong energy yield in a compact, single-glass format. They come ...
