Can I turn my solar panels on myself?

Most solar owners choose to turn their solar panels on themselves so they can start powering their home with clean energy. However, if you need help or are unable to turn on your solar panels yourself, you can contact a solar expert at Blue Raven Solar for further assistance by calling 1-800-377-4480 or emailing support@blueravensolar.com.

How do I Turn Off my solar panels?

If you do need to turn off your solar panels, you can go through the steps above in reverse, turning off the solar inverter, AC Disconnect, and solar breaker switch. Alternatively, if your system has a rapid shutdown and you're in an emergency situation, you can quickly turn it off with the rapid shutdown system.
