-----

Juniper Green Energy has tapped Sungrow to supply advanced string and central inverters for 835 MW of solar projects in Maharashtra and Rajasthan, underpinning its 10-GW roadmap.

Join us at Solar Power World as we cover the world of solar news on technology, development and installation on a daily basis.

Find the latest Solar Inverters news and insights in the electronics and technology industries. Visit to learn more.

Solar panels may capture the sunlight -- but inverters are the real intelligence behind every solar system. From AI-driven control to wide-bandgap semiconductors, the latest innovations are ...

In November, the Lithuanian government passed a law blocking remote Chinese access to solar, wind and battery installations above 100 kilowatts - by default restricting the use of Chinese...

News from the photovoltaic and storage industry: market trends, technological advancements, expert commentary, and more.

Latest solar power news from Europe, Latin America, Sub-Saharan Africa, APAC, MENA and more. Stay updated on solar PV, solar energy, policy & projects.

Coronal hole on the Sun: A massive, inverted "1"-shaped coronal hole on the Sun, stretching a million kilometers, is currently facing Earth. This phenomenon, linked to the Sun's ...

Solar industry news: Mounting, inverter, PV module, tracker and energy storage trends; net metering regulation; financing, buying trends and more.
