It leads in terms of power generation performance, reliability, and customer benefits, while also meeting the needs of distributed market segments. It is divided into four series: Explorer, Scientist, Guardian ...

Constructed with dual-glass (2.0mm + 2.0mm) tempered panels and a corrosion-resistant anodized aluminum alloy frame, the LR7-72HVD 630M is certified to withstand 5400Pa snow loads and ...

The Longi Hi-MO X10 Explorer 630-650 W monofacial solar panel is designed for distribution markets, delivering industry-leading efficiency and outstanding energy generation through advanced TaiRay ...

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

It leads in terms of power generation performance, reliability, and customer ...

Specifications included in this datasheet are subject to change without notice. LONGi reserves the right of final interpretation.(20240511 V2)DG.

Detailed profile including pictures, certification details and manufacturer PDF.

LonGi 630W Solar Panel features Hi-Mo X6 Max Scientist LR7-72HTH technology with a maximum power output of 620~630M. The module efficiency is 23.3%. It has a temperature coefficient of Isc at ...

Pmax -0.260%/°C Specifications included in this datasheet are subject(20250717V1.5 to change Dr. 0%/°C -0.280%/°C No.8369 Shangyuan Road, Xi'an Economic And Technological Development ...
