Which financial institution in Bandar Seri Begawan has installed rooftop solar panels?

BIBD is now the first financial institution in Bandar Seri Begawan to install rooftop solar panels, showcasing BIBD's commitment to a greener and more resilient future for Brunei.

Why should BIBD HQ install solar panels?

The installation of solar panels at BIBD HQ not only reduces the organisation's carbon footprint but also signifies a broader commitment to contributing positively to the community and environment.

Who inaugurated BIBD's new 60 kWh photovoltaic system?

BIBD today inaugurated its new 60 kWh photovoltaic (PV) system, marking a significant milestone in its journey towards sustainability and environmental stewardship. Present at the official launch ceremony was Yang Berhormat Dato Seri Setia Awang Haji Ahmaddin bin Haji Abdul Rahman, Minister of Home Affairs, Chairman of BIBD.

The company provides a range of services, including consultation, design, procurement, and installation of solar photovoltaic systems for residential, commercial, and government facilities.
